

Ranchi Women's College

Ranchi Women's College, Ranchi was established in 1949 to provide girls of Chhotanagpur an opportunity of higher education. It is a government aided college which got recognition under UGC act 1956. In 1987, it was transferred to category of college teaching up to Post Graduate Degree. This college got autonomy status by UGC with effect from 2011-12. The college still follows the mission to lead girl students to march successfully towards knowledge, enlightenment and empower through various Curricular, Co-curricular and Extra Curricular Activities. The college has attempted to keep itself updated in knowledge and skill by combining traditional Arts, Science and Commerce subjects with emerging areas such as Information Technology, Computer Application, Bio-technology, BBA, Fashion Designing and Clinical Nutrition and Dietetics.

Our mission is:-

- To make our students intellectually enriched and advanced in knowledge.
- To sensitize them for social causes at global level.
- To enable them as a self reliant person by achieving economic independence.
- To fill them with moral strength to fight against social taboos.

About Seminar

One day state level seminar is organized jointly by the department of Computer Application and Information Technology on "Recent Advancements in computer Science and Information Technology". Contributions are invited from prospective authors from related areas. Papers describing new methods and technologies, advanced prototypes, system tools and techniques and general survey papers indicating futures direction are also encouraged. All contribution should be original.

CALL FOR PAPERS

Original Research Papers are cordially invited for Presentation on following Themes and Sub-Themes.

Theme:

"Recent Advancements in Computer Science and Information Technology"
